## **Indiana State USBC Board of Directors select cities/host for the 2021 / 2022 Championships**

The Indiana State USBC Board of Directors met on Sunday, January 12, 2020 in Lafayette, Indiana to review all the Request for Proposals (RFPs) received for the 2021 / 2022 Indiana State Championships.

The IS USBC Board of Directors was thrilled with the interest shown for our premier events by the number of RFPs received. There were forty-four RFPs received for the ten Championships being awarded. Sincere Thanks and appreciation goes out to everyone who took the time to complete and submit an RFP this year. The decisions were very tough as there were many very good RFPs for each year and event! The Board sincerely hopes those that were not selected this year will continue to be interested in hosting one of our events and will submit RFPs during the next RFP process for the 2023 events next year.

The Indiana State USBC is pleased to announce the following selections:
