September 2020

## Welcome back!

As we begin this new 2020 bowling season, the Indiana State USBC Board of Directors would like to say **WELCOME BACK!** We know these trying times are bringing uncertainty as well as the unknown, but many bowlers are ready to say "Let's get rolling!"

Many centers are handling their customers (our members) with different strategies, and we would like to hear about them. Let your local district director or State Association Manager Brian Nunning know what is going on in your center(s). We want to know how everyone is choosing to manage and conform with the Indiana State and local governmental mandates in your center(s).

Let us hear from you...

---

We have a full agenda on our [CALENDAR](#) with direct links and to tournaments and events information.

We need to let you know of a few changes, since the previous calendar was made available.

- **We have added a weekend** to the State Mixed Championship Tournament to accommodate our bowlers.
- **The "2020" Indiana State Queens Tournament**, which was postponed in March, is being held on November 14 at Championship Lanes, Anderson. See Scratch Tournaments below.
- **Added to the calendar are confirmed dates for the 2021 and the 2022 Annual Meeting Weekends.** Get these weekends marked on your calendar now so your association can plan to be represented!
