USBC Association Aid Program *(announced 12/16/2020)*

The United States Bowling Congress announced a \$3.5 million aid program to help support grassroots bowling. The move comes as a response to the unprecedented losses experienced in the sport nationwide due to COVID-19 shutdowns.

As part of the program, the USBC Board of Directors has approved an immediate cash transfer of \$1.5 million from USBC's reserve fund directly to USBC local associations. Funds for locals have already begun being deposited.

An additional \$200,000 will be available for USBC state associations in the form of added prize money to their 2021 championship tournaments. An email to state associations went out recently with activation steps.
