Board Training

On September 25-26, the Indiana State USBC Board of Directors attended a board training session at the Hampton Inn, Kokomo. The purpose was to improve the State Board's knowledge and skills of various aspects of the tools used such as the Google Drive, the State Operations Manual, etc. In addition, Mr. Jon Kelley, Kokomo, spoke on the Carver Model Saturday after dinner. The weekend was well-worth the time and effort for everyone who was able to attend.

Every local association Board of Directors should consider this as a Board Event. It introduces new board members to what is expected, gives opportunity for questions and valuable input from those experienced board members. It is an outstanding learning/training tool for every level of membership.

New with the State Board—The Indiana State USBC Board of Directors and Staff want to congratulate newly elected President Alice “AJ” Hacker, 1st V President William Kendall, Sr., 2nd V President Lynda Isaacs, and 3rd V President Dale Bennington. Also, a warm welcome to District Director 8 Paul LeMond, Jasper; District Director 7 Charles “Chip” Rott, Terre Haute; and Northwest Director Justin Hauser, Griffin.

“Youth Directors” now have a different title. They are the Indiana State USBC “Regional Directors.” They are: Northwest Regional Director Justin Hauser, Southwest Regional Director Tiffany Friars, Southeast Regional Director Corky Koch, and Northeast Regional Director Mikayla Schram.
