Hello my name is Kevin McCune I am Eugene's son. I believe my father deserves to be in the Indiana State Hall of Fame because of many on lane performances he has had in his life time. He has been involved with many bowling milestones especially following in the foot steps of his Father Don McCune who revolutionized the sport. Eugene has one of the most unique games that has ever bowled on the Professional Tour. He was able to play the one board at times and even 7th arrow many people cannot move across the whole lane and be successful doing it. And for his whole career he bowled against probably three of the best bowlers to ever play the sport in Pete Weber, Norm Duke and Walter Ray Willams Jr. Which I believe he is the only one to win his only three PBA titles over these amazing bowlers. He has many accomplishments one could only dream of in the sport of bowling.
