Next year's event will move to District 6 with the City of Firsts A team being the winning team this year! We had a great turnout and a fun day of bowling. Thank you to everyone who promoted this event within your district. District 5 was honored to be able to host the Challenge for the last two years.

Congratulations to Jeff Maitlen from Wayne County for shooting 298 in the second game of qualifying!

Thank you to Jeff Circle for managing the brackets and side pots and helping to organize the elimination rounds.

Respectfully submitted,

Jenni Ferguson  
5th District Director
