

September 20, 2023 (Updated)

Stephen E. Utley
Dick Dubé

To: IS USBC Hall of Fame Committee

This cover memorandum and attached resumé is submitted as a Hall of Fame nomination for Paul LeMond.

Paul has been an active bowler for 40+ years, as well as a highly active bowling proprietor for 30 years in Jasper, IN. He has been a true mentor to upcoming young bowlers establishing and coaching high school teams for several years. His passion to teach and mentor, as well as fostering interest in the “game” has been truly remarkable over the years. The results of the Jasper area high school programs speak for itself.

Not only is Paul a huge youth bowler supporter and coach, but he also makes himself available to assist bowlers of all ages. He is an exceptional coach.

An active supporter of the Jasper community for many years, Paul has sponsored and promoted several functions and events.

September 2022 Paul was selected as the Vincennes University Varsity Bowling Coach—a position he currently holds.

Paul’s individual accomplishments are well documented. His participation on the PBA and PBA50 tours shows his passion and interest in the “sport of bowling” as well.

Paul’s overall experience, coaching and mentoring certainly make him worthy of such an honor.

Respectfully submitted,

Stephen E. Utley
