RE: IS USBC HALL OF FAME

Dear Brian:

Enclosed is an IS USBC Hall of Fame Resume for Mark Hunt from Indianapolis. I hope I have filled it out correctly.

Mark has filled many shoes here locally. He has served in the capacity of a Manager at Hindel Bowl, a Coach/mentor for many years during his tenure at Hindel's, an avid bowler and a friend and worker for the local association. All of this over 45+ years. He has won many championships or finished in the top 3 at the local, state and regional venues. I was perplexed to determine exactly which category I should submit his resume, whether Service as a Proprietor or Superior Performance; I have marked both and will leave that determination up to your committee.

When it comes to a personable, helpful or diligent asset Mark makes his mark in all. As a worker, again Mark excels. As an avid supporter of the Sport of Bowling he again goes over and beyond.

I am respectfully asking that your committee give Mark their strongest consideration as a 2024 IS USBC Hall of Fame Inductee. I truly believe he would be an outstanding representative.

Thank you for your consideration.

Best Regards,

Ede Kline  
IS USBC Hall of Fame Member
