JEFF CIRCLE

Thank you for the Years of Service *(but we're not letting go...)*

Some may be aware that Jeff Circle has worked his way towards moving from a lead role to becoming more of a supportive role for the State Scratch Tournaments. Over the last 20 years, Jeff has done an amazing job! He was instrumental in growing the Indiana Masters from almost being scrapped to a complete sell-out every squad, and he has helped us add the Indiana Scratch Classic, the Indiana Queens, and most recently organizing, the Indiana Senior Masters, which is in its fifth season.

All of these tournaments are on the top of our bowlers list of wanting to compete and become a champion! Our bowlers, as do we, love and respect Jeff!

Jeff, we thank you and please know we will continue to need and seek your support for a very long time.

Indiana State ISBC would like to announce the addition of Austyn Bragg, Lafayette, and Zach Spencer, Kokomo, to the IS USBC Staff as our Scratch Tournament Managers.

Austyn and Zach will continue their journey as tournament managers of the most prestigious Indiana scratch tournaments as Jeff and Brian Nunning will be working with them. Please join the Indiana State USBC Board of Directors in thanking and congratulating Jeff as he takes a less stressful role and welcoming Austyn and Zach to our team!
