- 2.) This is a “Blind Draw Doubles Tournament” that is being run as part of the activities for the 2026 Indiana State Jamboree. All bowlers will submit individual entries for the tournament and the tournament officials will randomly make up the doubles teams that will compete in the tournament. Bowlers without a 2025-2026 Book Average will use the current highest average of 21 games or more as of October 10 2026. All other bowlers will bowl scratch. It shall be each bowler’s responsibility to verify the accuracy of their average, and if the reported average is less than their actual average, the bowler will be disqualified and all prizes won as a result of the incorrect average will be forfeited. If the reported average is higher, prizes will be based on the reported average. The bowler is responsible for providing verification of the average to be used to the tournament manager.
